

Report Period: August 24th - September 6th

Summary of Progress in this Period

- We are still in the introduction of the project, but we met with our Client/Faculty Member. We discussed the project information such as the abstract, requirements, and workspace environment.
-

Pending Issues

- None thus far as we have not begun any proof-of-concept or design work.
-

Plans for Upcoming Reporting Period

- We plan on meeting with our faculty member this week to get more information about the project.
 - Read through the materials recommended to us by our faculty advisor
