

Team Name: sdmay21-24

Team Members: Rene Chavez, Jacob Gleason, Ian Kegley, Abdul-Salam Adedoja, Tyler Norris

Report Period: Sept 28-Oct 11

Summary of Progress in this Period

- Created a more detailed block diagram of our project that includes the technologies that will be used in each step
 - Began creating skeleton applications using our chosen software
-

Pending Issues

- Difficulties getting software to communicate with each other
-

Plans for Upcoming Reporting Period

- Create dummy applications that utilize the software we chose for our project so that we can focus on actual implementation when the time comes
 - Dummy applications will have a backend and frontend that can pass information to each other, and use Docker
-
