

Team Name: sdmay21-24

Team Members: Rene Chavez, Jacob Gleason, Ian Kegley, Abdul-Salam Adedoja, Tyler Norris

Report Period: Oct 12-Oct 18

### **Summary of Progress in this Period**

- Start creating playground applications for the different software we will be using for the project to familiarize ourselves with them
  - Expanding our knowledge of the different frameworks, languages, and concepts that we will be using in/for our project
- 

### **Pending Issues**

- Still having difficulties getting the software to communicate with each other
- 

### **Plans for Upcoming Reporting Period**

- Continue playing with the different software and concepts we will be using and expanding our learning of them
-
